

Upcoming Events

Wednesday, February 16, we'll be gathering in Seattle for a day of focused conversation about low-technology solutions to large-scale challenges. Kosta Peric, deputy director for financial services for the poor at the Gates Foundation, and Hans Bjordahl, co-founder of Climate Credit Cart, will present over lunch.

Friday, February 18, we'll be gathering in San Francisco along with Google's innovation leader Ennis Olson as our guest speaker.

Tuesday, February 22, please consider joining us in New York, for a gathering focused on low-technology solutions to large-scale challenges.

Thursday, February 24, we'll be meeting in Los Angeles, along with Twilio's global head of enterprise innovation, Anjali Saraf, and Denstu's Chief Innovation Officer, Jeff Tan.

Thursday, February 24, we'll be hosting a virtual gathering along with Austria Telekom's digital CEO Elisabetta Castiglione, and the strategy leadership at Austria Airlines, focused on the post-COVID digital agenda in Europe.

Monday, February 28, we're gathering in Washington DC, with Bloomberg's strategy and business-development leader James Choi, as our speaker over lunch.

Wednesday, March 2, please consider joining us in Atlanta, along with Minh Hua, Chief HR Officer for Stanley Black & Decker.

Friday, March 11, we'll be gathering in San Antonio, along with Rika Nazakawa, Group Vice President of IndustryX Innovation at NTT.

Wednesday, March 16, please consider joining us in Phoenix, where our guest speaker over lunch will be Harish Naik, Head of the Innovation Laboratory at financial-services giant Ally.

Monday, March 28, we will gather in San Diego, for a conversation exploring low-tech solutions to large-scale challenges.

Wednesday, March 30, please consider joining us in San Francisco, where we will be joined by technology pioneer David Tennenhouse. David currently serves as Chief Research Officer at VMWare. He has also been Corporate VP and leader of firm-wide technology policy at Microsoft, head of research at Intel, and served as CEO of Amazon's search development spin-out A9.com.
