

Decarbonization is a platform for growth.

The ILO Decarbonization Strategy Community is a new leadership network dedicated to supporting senior executives leading decarbonization.

ILO-D centers around highly-curated gatherings of corporate, government and not-for-profit leaders shaping practices and policies, and re-inventing business models to realize a low-carbon and no-carbon future. Each event will have a sole sponsor.

Selected Members of the ILO Institute

Around the ILO Table

Non-commercial, high-trust gatherings with senior executives from the Global 2000, in a noncommercial, friendly, rigorous environment.

“This far exceeded our expectations”– Ryan Pletka, Black & Veatch, ILO Decarbonization Strategy Community Sponsor

“More than we hoped for” – Shelby Golan, The Mayfield Fund, ILO Decarbonization Strategy Community Sponsor

“I am so impressed. The learning was fantastic. This is how we establish our presence as a decarbonization leader” – DV Rao, CMS Energy/Consumers Energy, ILO Decarbonization Strategy Community Sponsor

“The ILO Decarbonization gathering here was fantastic. Let’s do more” – Cynthia Hutchison, Director of the World Economic Forum’s US Centre for Advanced Manufacturing

Office, VW

Decarbonization

Strategy Community

The **ILO-D Knowledge Graph** will be an open-access digital information source documenting what key large organizations are doing, saying, and investing in around decarbonization, with three areas of emphasis:

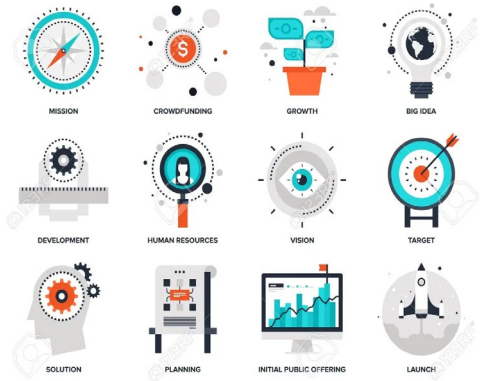

Measurement

Moving toward shared reliable measures

Technology and Ops in Place

Who is investing in what now

New Ventures

Each gathering has a single sponsor.

Gathering sponsors will benefit from **exclusive brand engagement** with an elite, curated group of the most influential decision-makers in decarbonization in the world.

The ILO Decarbonization Knowledge Graph will have one global sponsor, as well as a technical host.

For information about sponsorship, please contact ILO Institute founder and president Peter Temes, peter@iloinstitute.net

Sponsors will help curate gatherings, present, and engage attendees before, during and after the gatherings.

Sole-sponsor brand exposure.

Attendee targeting.

Attendee contact information and direct-contact opportunities.

Co-branded research.

Guaranteed target profile match.

Collaboration on additional engagement with participants.

Cost of sponsorship:

For ILO Institute members: \$35,000/event

For non-members: \$60,000/event
